what-dog classifies the breed of your dog using machine learning. - #whatDogRobot

### **Why Dogs and Humans Love Each Other So Much | Time**

Dogs are regarded differently in different parts of the world. Characteristics of loyalty, friendship, protectiveness, and affection have earned dogs an important position in Western society, and in the United States and Europe the care and feeding of dogs has become a multibillion-dollar business.

### **Dogs - The Telegraph**

As dog owners, we take for granted that we can point to a ball or toy and our dog will bound off to get it. But the ability of dogs to read human gestures is remarkable.
